Second and Final Call for Papers

**The Foreign Language and Literature Association of Serbia,
The Special Interest Group of Languages for Specific Purposes
and the Teacher Education Faculty, University of Belgrade**

supported by
IATEFL

invite you to the

Fifth International Conference

LANGUAGE – PROFESSION – SCIENCE – 2.1

24th and 25th April 2021, Belgrade, Serbia

Conference venue:

Teacher Education Faculty, University of Belgrade
43 Kraljice Natalije, Belgrade

We are glad to invite you to the fifth conference on languages for specific purposes, which will bring together foreign language and literature lecturers and linguistics experts ready to share their latest research results, knowledge and experience, and willing to establish professional cooperation locally and internationally. We hope to encourage further development of language knowledge and skills in scientific, occupational and professional communication, including new research in this area. Our objective is also to promote multilingualism, as well as the status and quality of the teaching of foreign languages for specific purposes in higher education.

Key conference streams:

1 Language for specific purposes as the basis of social sciences and humanities;
2 Language for specific purposes in the light of technical-technological sciences;
3 Language for specific purposes as the root of natural and mathematical sciences;
4 Language for specific purposes in the heart of medical sciences;
5 Language for specific purposes and the world of arts.

Conference talks can be based on one of the following topics:

1 Modern tendencies in teaching languages for specific purposes in higher education;
2 Fundamental and applicative research in the area of foreign languages for specific purposes;
3 Foreign languages for specific purposes: new concepts and ideas;
4 Curricular innovations in foreign languages for specific purposes;
5 Challenges of foreign languages for specific purposes in teaching Classical Languages;
6 Linguistic aspects of foreign languages for specific purposes: phonetics/pronunciation, lexicology, morphology, syntax;
7 Terminological dictionaries and glossaries;
8 Challenges of scientific and professional translation;
9 Foreign languages for specific purposes in the light of multilingualism and interculturality;
10 Integrated teaching and foreign languages for specific purposes;
11 Foreign languages for specific purposes and globalization – new methodological challenges;
12 Foreign languages for specific purposes and digital technologies;
13 Evaluation and testing in teaching foreign languages for specific purposes;
14 Didactic methodological support to novice teachers of foreign languages for specific purposes;
15 Strengthening the professional identity of teachers of foreign languages for specific purposes;
16 Strengthening the role of languages for specific purposes in the academic and general public;
17 Other topics related to languages for specific purposes and languages for academic purposes.

Conference languages:

English, French, German, Russian, Spanish, Italian and Serbian

Submissions:
Applications with abstracts should be sent as Word documents (named: Conference abstract) to the following email address: lspbg2021@gmail.com no later than 1st December 2020.

Your application should contain the following:

1 Name and Surname of the author(s);
2 Affiliation of the author(s);
3 Email address of the author(s);
4 Title of the paper (up to 10 words);
5 Proof-read abstract of 150-200 words with a description of the objectives, methodology and (expected) research results;
6 Key words (5 key words);
7 The key conference stream that the talk belongs to (1 - 5).

Accepted abstracts will be published in the Book of abstracts. After the conference, selected papers will be published in the Conference Proceedings.

A maximum of two abstracts may be submitted per presenter (with only one as the first author).

Time allotment
Keynote speakers: **45 minutes** (additional 15 minutes for discussion)
All other speakers: **20 minutes** (additional 5 minutes for discussion)
