supported by
IATEFL

invite you to the

Fifth International Conference

LANGUAGE – PROFESSION – SCIENCE – 2.1

Photo: Dragan Orbić

24th and 25th April 2021, Belgrade, Serbia

The conference will be held online and is organised by

Teacher Education Faculty, University of Belgrade
43 Kraljice Natalije, Belgrade

Our Fifth conference, as the previous ones, brings together lecturers and linguistics experts with the aims to present their latest research results in the area of languages for specific purposes, to share knowledge and experience, and a will to establish professional cooperation locally and internationally. We hope to encourage further development of language knowledge and skills, as well as research pertaining to scientific, occupational and professional communication, to promote multilingualism, and improve the status and quality of the teaching of foreign languages for specific purposes in higher education.

Key conference streams:

1 Language for specific purposes as the basis of social sciences and humanities;
2 Language for specific purposes in the light of technical-technological sciences;
3 Language for specific purposes as the root of natural and mathematical sciences;
4 Language for specific purposes in the heart of medical sciences;
5 Language for specific purposes and the world of arts.

We will present more than 60 talks on one of the following topics:

1 Modern tendencies in teaching languages for specific purposes in higher education;
2 Fundamental and applicative research in the area of foreign languages for specific purposes;
3 Foreign languages for specific purposes: new concepts and ideas;
4 Curricular innovations in foreign languages for specific purposes;
5 Challenges of foreign languages for specific purposes in teaching Classical Languages;
6 Linguistic aspects of foreign languages for specific purposes: phonetics/pronunciation, lexicology, morphology, syntax;
7 Terminological dictionaries and glossaries;
8 Challenges of scientific and professional translation;
9 Foreign languages for specific purposes in the light of multilingualism and interculturality;
10 Integrated teaching and foreign languages for specific purposes;
11 Foreign languages for specific purposes and globalization – new methodological challenges;
12 Foreign languages for specific purposes and digital technologies;
13 Evaluation and testing in teaching foreign languages for specific purposes;
14 Didactic methodological support to novice teachers of foreign languages for specific purposes;
15 Strengthening the professional identity of teachers of foreign languages for specific purposes;
16 Strengthening the role of languages for specific purposes in the academic and general public;
17 Other topics related to languages for specific purposes and languages for academic purposes.

Conference languages:

English, French, German, Russian, Spanish, Italian and Serbian

Plenary speakers

We are proud to present the following plenary talks:
